

# Arrowhawks Archery Academy

**Are you keen to improve your archery performance?  
Do you have ambitions in the sport?  
Do you enjoy competition?**

Would you like to train alongside like-minded people and access performance coaching from coaches who understand what it takes to succeed – and how to deliver that?

**Arrowhawks Archery Academy** developed from the Yorkshire Junior Squad and started in 2017. Since then, we have been able to support many archers, both Junior and Senior, to improved performance- recurve, compound, longbow, target archery and field archery. We also deliver the Archery GB National Talent Development Programme for the North as part of the Archery GB Talent Pathway.

One of our archers, Joe Fairburn, is a member of the GB Field Team and won Bronze at the European Field Championships in Slovenia in 2019 – Joe has been on the Junior team since he was 15 and won his medal at 18.

Several of our seniors are shooting at national levels and featuring in national target and field events. **Five** of our Junior archers have progressed onto the Archery GB Pathway academies for recurve and compound:

Max Oakley (recurve) 2018      Will Thompson (recurve) 2020

2021 - Beth Rhodes (compound). Finlay Clark (compound) Aiden Elves (Compound)

Outdoors: York Archers and St Georges (Harrogate) venues. Indoor training starts in October in York and has a more structured programme-based approach for those who want a planned progression. NTDP starts in November, Covid permitting.
