- Event format** There will be 4 ends of 6 arrows shot. Only 1 class/weight division may be shot per end. Archery GB bow weight classes will be converted to their equivalent World Archery flight bow classes, most are the same. Any World Archery bow classes and World Archery weight divisions can be shot, however these must be declared at registration. Distance measurements will be in meters for World Archery requirements and converted to yds-ft-ins for Archery GB results. Separate World Archery bow class and distance results will be produced for world record claims
Trophies will be awarded to the highest placed British Northern Counties members
It is recommended that competitors wear bright, visible colours
- Drug Testing** Archers competing at record status tournaments may be liable for drug testing. Competitors who are approached to give samples must comply. Non-compliance will be treated as a positive result.
- Lost arrows** Parents/Guardians must sign the relevant box on the entry form giving consent for junior archers (under 18's) to be drug tested if approached
Lost arrows must be reported to a judge or member of the field party (please remember to inform them if you later find the arrow). It is the archer's responsibility to account for all arrows before leaving the field.
- Photography** In line with the recommendation in the Archery GB Safeguarding Children and Young People policy, the organizers of this event request that any person wishing to engage in any video, zoom or close range photography should register their details with the tournament organiser at the registration desk before carrying out any such photography.
- If parents/carers have any particular concern about their child/young person being photographed, they should notify the organizers.
- The tournament organiser reserves the right to decline entry to any person unable to meet or abide by these conditions.
- Poor Weather** If you are concerned about any photography taking place, please contact the Tournament Organiser who will be pleased to discuss this matter with you.
In the event of protracted poor weather, please contact the tournament organiser before the event to confirm that the ground is suitable for the event.
- Documentation** Please contact the organiser if you require confirmation of entry. Results will be sent out after the tournament.
