After many years associated with Pontefract Castle it is with great regret that we have had to change the venue for our annual Longbow Competition.

In order to enhance the visitor experience at the castle the Judges felt that the recent improvements carried out at the castle had unfortunately compromised the safety of the event. As a result we were faced with no alternative but to find a new venue.

It was important to us that the event was still held in Pontefract itself and we were delighted to be offered a suitable site at Pontefract New College . The site is more secure, less exposed and has ample car parking adjacent to the shooting field, with improved toilets and refreshment facilities.

Whilst the new venue may not have the historic significance as Pontefract Castle, I do hope that you will continue to support the event and have a thoroughly enjoyable shoot.

The Wakefield Archers

PONTEFRACT 60 NEW VENUE

*Longbow competition held in the grounds of
New College Pontefract*

Saturday 2nd September 2017

**please see the note on the back page!*

The competition will commence at 10 am and consist of 10 dozen arrows plus wand splitting, a 3D bear hunt and speed shooting .

The day will conclude with an Agincourt volley, followed by the presentation of awards.

*Please help to make the shoot a spectacle by wearing
Medieval Dress -(if you have it—wear it).*

If you are approaching from the M62 there is no right hand turn into Park Lane . Instead turn left after the traffic lights and go under the main road and re-join the main road to approach from the other direction . Turn left up Park Lane, the car Park is Car Park 2 on the right hand side just after the college buildings
