

Arrowhawks
Archery Academy

Arrowhawks Indoor dates 2025/26

Indoor training sessions start this year in October and run through to end of March.

As our training group is growing – which is great – we have been looking at how we can maximise space and provide sessions that are of more value to the archers with less overcrowding – not easy. Thank you to everyone who contributed ideas.

Dates for 2025 and 2026 are all booked at Haxby and confirmed.

Month	Day	Date	Group
October	Sunday	26 th	Open / all.
November	Saturday	8 th	Open/all.
	Saturday	29 th	Juniors & shooting parents
December	Saturday	13 th	Christmas event – open/all
	Sunday	21 st	Open/all
January 2026	Sunday	11 th	Open/all
	Saturday	17 th	Senior & U21
February	Saturday	7 th	Open/all
	Sunday	22 nd	Juniors & shooting parents
March	Saturday	14 th	Open/all
	Sunday	22 nd	Seniors & U21

Please note the slight change of format – this is to ensure there is sufficient space for both safety and a good coach/archer ratio.

The main changes are:

- Restricting session numbers where sessions are open to all to a max of 16
 - (except for the Christmas event)
- Having some senior and junior specific sessions; U21 can be in either session.
- Junior days are also open if they have a shooting parent who would prefer to attend as a participant. on the same date.

Booking is by email to kath.fitzpatrick@me.com / kath@arrowhawks.co.uk

Sessions are £10 for the full day and run 9.30 for 10 till c 4.30

We look forward to seeing our returning Arrowhawks as well as new people who are most welcome – any bow style/discipline

Kath
